

Stair Tread Covers

DURATREAD™ molded fiberglass stair tread covers

DURATREAD™ provides an easy, cost-effective way to increase the safety of stairways. The covers feature a gridded surface and are intended for installation over concrete, metal or wood steps and also for over fiberglass stair treads.

DURATREAD™ stair tread covers are ideal for use in any area where frequent use or exposure to slippery environments increases the risk of accidents. The ADA compliant covers feature a durable gridded surface and a highly visible nosing to ensure years of safe, maintenance-free service.

Features:

Slip Resistant / Durable
Impact Resistant / Low in Maintenance
Easy to Cut/Install / Corrosion Resistant
Lightweight / Low Conductivity
